

TASK 3:

CAN WE MAKE ANY RULES ABOUT THE SIMILARITIES AND DIFFERENCES BETWEEN SOME FINNISH AND ENGLISH WORDS?

Sorting might help!

Can we sort the pairs of words from tasks one and two? How many groups can you put the pairs into? What would you call the names of the groups? (ENV)

WORDS THAT ARE SIMILAR IN FINNISH AND ENGLISH (E – the element)

Name of group (N – name of feature)

The pairs of words in the group (V -value)

You can add more groups if you need to!

CAN YOU MAKE ANY RULES NOW ABOUT THE SIMILARITIES AND DIFFERENCES BETWEEN SOME FINNISH AND ENGLISH WORDS?

Can you list in your learning notebooks which kinds of Finnish words might be similar in English? Can we make a tool / some rules we can add to and change if necessary?
